1809DC Surface Mount PoE LED Fixture (Power Over Ethernet)
Part Number: 11809DC7728

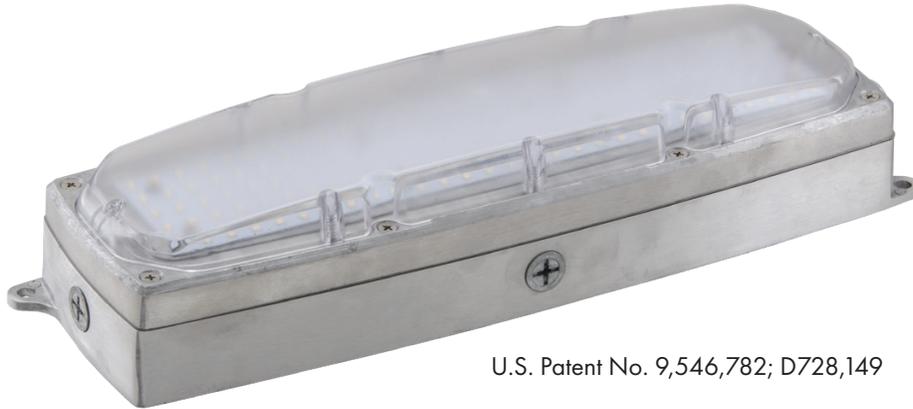

U.S. Patent No. 9,546,782; D728,149

STEP 1

Mount housing to ceiling or wall (hardware not included)
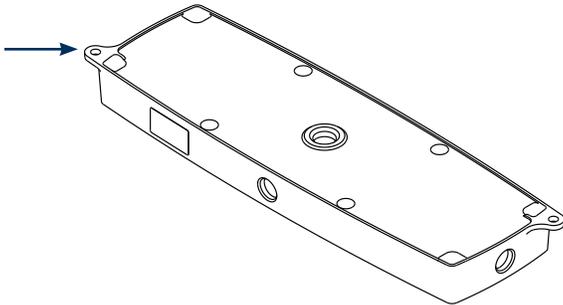

STEP 2

Use cord grip and feed DC supply through provided openings. Seal all unused openings with silicone to prevent moisture from leaking into fixture.
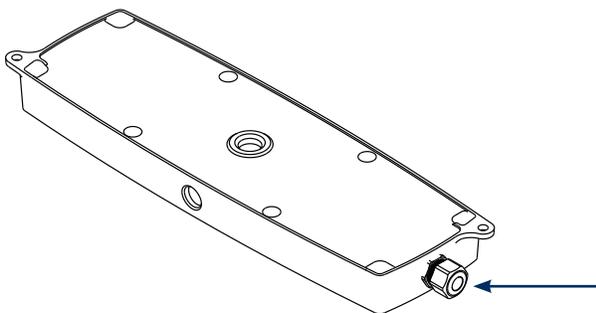

STEP 3

Attach heatsink assembly to housing with provided screws and plastic seals.
