

1811 CL LED Display Case Lights
Part Number: 61811 CL*

FEATURES

Housing

- Material: Aluminum extrusion
- Finish: Clear anodized dip

Lens - Diffuser

- Material: Polycarbonate
- Color: Frosted

End Caps

- Material: Polycarbonate
- Color: White

Ratchet Clamp

- Material: Polypropylene
- Color: White

Color Temperature

- 3000k

Power

- 120-277 V

Power Cord

- 18 in. power cord included

DESIGN CRITERIA

- Designed for use in damp locations
- UL approved for refrigerated and non-refrigerated cabinets
- Operating temperature: -40°F [-40°C] to 77°F [25°C]
- Safety Standards: RoHS, E333932, NSF
- 5-year warranty
