# KASON INTELLECTUAL PROPERTY (IP)

Kason® is a U.S.-based manufacturer of essential hardware, accessories and supplies for the refrigeration, foodservice, industrial, and truck body industries. Since 1926, Kason has produced genuine, high-quality hinges, latches, handles, and related hardware trusted by global manufacturers and operators.

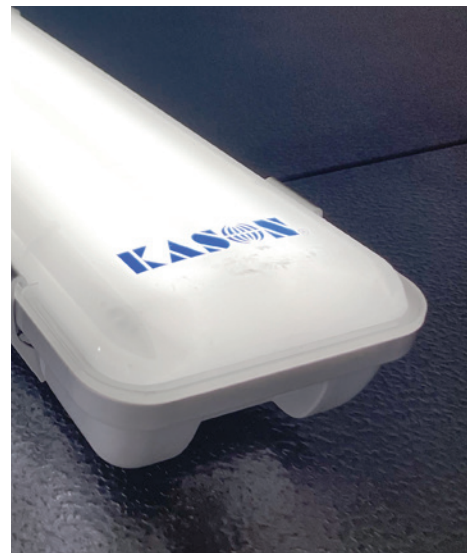

Engineered and protected, Kason products are designed to perform in demanding environments while helping defend against imitation. Our patented designs ensure customers receive original, proven hardware that supports long-term reliability and consistent performance. It is one more way Kason helps protect not just components, but the brands and equipment behind them.

## Identifying Genuine Kason Products

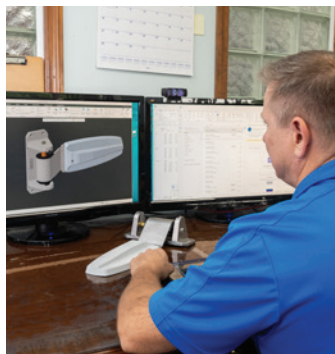

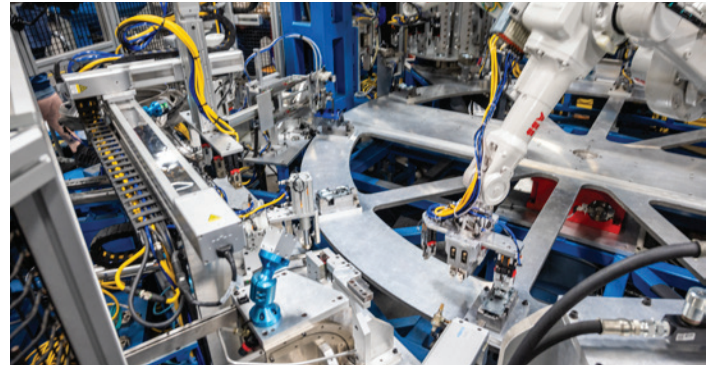

## Other Key Elements

Stamped/cast, laser etched, screen printed or labeled brand names or logos

# The Kason Difference

Behind every Kason product is a team dedicated to doing things the right way. For 100 years, our craftsmanship, pride, and commitment to quality have earned the trust of customers around the world. Today, that tradition continues in Newnan, Georgia, where our products are proudly designed and manufactured.

This milestone is not just about longevity. It reflects the people who show up every day, take ownership of their work, and stand behind every product that carries the Kason name.

Because  
when  
people  
care,  
performance  
follows.

Solutions that enhance your brand  
and exceed customers' expectations.
